Avdoo & Partners' Bergen Surpasses 50% Sold

Avdoo & Partners Development recently announced that over half of the 105 residences at Bergen have gone into contract in less than a year. Since sales launched in May 2024, 52 homes have gone into contract at the building, including a three-bedroom penthouse priced at \$4.85 million last month. While approximately 85% of buyers already live in New York City, Bergen has seen significant momentum with buyers relocating to the city from other regions including residents from California and Latin America.
